

Shootgeeks' Privacy Policy

1. Introduction

Shootgeeks Photography and Videography is committed to protecting the privacy and personal data of its users. This Privacy Policy explains how personal information is collected, used, processed, stored, and protected when users access and use the Shootgeeks web-based booking system.

Shootgeeks complies with the provisions of the Data Privacy Act of 2012, including its Implementing Rules and Regulations (IRR). All personal data is handled in accordance with the principles of **transparency, legitimate purpose, and proportionality**.

Shootgeeks ensures that:

- Personal data is collected for **specified and lawful purposes only**
- Processing is conducted in a **fair and transparent manner**
- Data is protected against **unauthorized access, disclosure, alteration, or destruction**

By using the system, users give their **informed consent** to the collection and processing of their personal data as described in this policy.

2. Information Collected

Shootgeeks may collect and process the following types of information:

a. Personal Information

- Full name
- Email address
- Contact number

b. Booking Information

- Event type (e.g., wedding, birthday, corporate event)
- Preferred schedule and location
- Selected service packages
- Special requests or preferences

c. User-Generated Content

- Text prompts entered for AI-generated photography concepts
- Feedback, reviews, and submitted forms

Shootgeeks collects only **necessary and relevant data** required for system functionality.

3. Purpose of Data Collection

Personal data is collected and processed for the following purposes:

- To **process and manage bookings and appointments**
- To **generate AI-based visual concept references**
- To **improve system performance, usability, and features**
- To **ensure security and prevent unauthorized access or misuse**
- To comply with **legal and regulatory requirements**

Data will not be used for purposes **incompatible** with those stated above.

4. Data Processing and Storage

All collected data is processed and stored securely using appropriate technologies such as cloud-based databases (e.g., MongoDB).

Shootgeeks ensures that:

- Access to personal data is limited to **authorized personnel only**
- Data processing is conducted within **secure environments**
- Measures are in place to prevent **data breaches and unauthorized disclosure**

Data may be stored digitally and retained in secure servers with appropriate safeguards.

5. Data Sharing

Shootgeeks does **not sell, rent, or trade** personal data to third parties.

Personal data may only be shared under the following conditions:

- When required by **law, regulation, or legal process**
- When necessary for **internal operations** (e.g., booking management by administrators)
- When required to **protect rights, safety, or property** of users or the organization

Any data sharing will be limited to what is **necessary and lawful**

6. User Rights (Under Philippine Law)

In accordance with the Data Privacy Act of 2012, users have the following rights:

- **Right to Access** – Request access to their personal data
- **Right to Correction** – Request correction of inaccurate or outdated information
- **Right to Erasure or Blocking** – Request deletion or removal of personal data
- **Right to Object** – Object to data processing under certain conditions
- **Right to Data Portability** – Request transfer of their data (if applicable)
- **Right to Withdraw Consent** – Withdraw previously given consent at any time

Requests may be subject to verification and applicable legal requirements.

7. Data Retention

Shootgeeks retains personal data only for as long as necessary to fulfill its intended purposes, including:

- Managing bookings and client relationships
- Maintaining records for operational and administrative use
- Complying with legal obligations

Once data is no longer required, it will be **securely deleted or anonymized**.

8. Security Measures

Shootgeeks implements appropriate **organizational, physical, and technical security measures**, including:

- User authentication and secure admin login systems
- Role-based access control
- Data encryption and secure storage practices
- Regular monitoring for vulnerabilities and threats

9. Cookies and Tracking (Optional if implemented)

The system may use cookies and similar technologies to:

- Enhance user experience
- Store session and login information
- Analyze system usage and performance

Users may choose to disable cookies through their browser settings, although this may affect system functionality.

10. Third-Party Services

Shootgeeks may integrate third-party services such as:

- AI image generation APIs
- Cloud storage providers

These third-party services operate under their **own privacy policies**. Shootgeeks ensures that only services with **reasonable data protection standards** are used.

However, Shootgeeks is not directly responsible for how third-party services handle data beyond its control.

11. Changes to Privacy Policy

Shootgeeks reserves the right to update or modify this Privacy Policy at any time.

- Users will be notified of significant changes through the system
- Continued use of the platform indicates **acceptance of the updated policy**

12. Contact Information

- For any questions, concerns, or requests regarding data privacy, users may contact:
