

Shootgeeks' Terms and Condition

1. Acceptance of Terms

By accessing, browsing, or using the Shootgeeks web-based booking system, users acknowledge that they have read, understood, and agreed to comply with these Terms and Conditions. These terms constitute a legally binding agreement between the user and Shootgeeks Photography and Videography. If the user does not agree to any part of these terms, they must immediately discontinue use of the system. Continued use of the platform signifies full acceptance of all provisions stated herein.

2. Description of Service

The Shootgeeks web-based booking system is an online platform designed to streamline the process of booking photography and videography services. The system enables users to:

- Browse available photography and videography services and packages
- Select preferred packages and schedule appointments
- Submit creative prompts for AI-based visual concept generation
- Communicate booking details with Shootgeeks

The system serves as a booking, planning, and communication tool. While it provides AI-generated visual references to assist in conceptualizing ideas, it does not guarantee that the final output of the photography or videography services will exactly match the generated images. Final outputs remain subject to artistic interpretation, environmental conditions, and operational limitations.

3. User Accounts

To access certain features, users may be required to register an account. Users agree to:

- Provide accurate, complete, and up-to-date information
- Maintain and update their account information as necessary
- Keep login credentials confidential and secure

Users are solely responsible for all activities under their account. Shootgeeks shall not be liable for any unauthorized use resulting from failure to protect account credentials. Shootgeeks reserves the right to suspend or terminate accounts that contain false, misleading, or fraudulent information or that violate these Terms and Conditions.

4. Booking and Scheduling

All booking requests submitted through the system are subject to verification and approval by Shootgeeks. Users acknowledge that:

- Bookings depend on photographer availability and operational capacity
- Submission of a booking request does not guarantee confirmation
- A booking is only considered confirmed upon approval by an authorized administrator

Shootgeeks reserves the right to:

- Accept or decline booking requests
- Reschedule appointments due to unforeseen circumstances, including but not limited to emergencies, weather conditions, or technical issues

Users will be notified of any updates or changes regarding their bookings.

5. AI-Generated Content Disclaimer

The system includes an AI-powered feature that generates images based on user-provided prompts. By using this feature, users acknowledge that:

- AI-generated images are intended solely as visual references
- Outputs may vary depending on the clarity and quality of user input
- Shootgeeks does not guarantee exact replication of AI-generated images in actual photography sessions

The AI feature is intended to support creative planning and reduce miscommunication, but it does not serve as a final representation of service deliverables.

6. Payments and Pricing

All prices and service packages are determined and managed by Shootgeeks. Users acknowledge that:

- Prices and package inclusions may be updated without prior notice
- Payment terms, if applicable, must be followed as specified during the booking process

Failure to comply with payment requirements may result in cancellation or non-confirmation of bookings.

7. User Responsibilities

Users agree to use the system responsibly and in compliance with applicable laws. Users must not:

- Submit unlawful, harmful, or inappropriate content
- Misuse the AI feature for malicious or unethical purposes
- Attempt unauthorized access to the system, accounts, or data

Violation of these responsibilities may result in account suspension, termination, and possible legal action.

8. Intellectual Property

All content within the system, including system design, interface, source code, logos, and branding, is the property of Shootgeeks Photography and Videography. Users are granted limited access for personal and non-commercial use only.

AI-generated images are intended for personal planning and conceptual use. Unauthorized reproduction, distribution, or commercial use of any system content is strictly prohibited without prior permission from Shootgeeks.

9. Limitation of Liability

Shootgeeks shall not be held liable for any direct, indirect, incidental, or consequential damages arising from the use or inability to use the system. This includes, but is not limited to:

- Delays caused by internet connectivity issues
- Inaccuracies in AI-generated outputs
- Loss of data due to system interruptions or technical failures

The system is provided on an “as is” basis, and while reasonable efforts are made to ensure reliability, uninterrupted operation is not guaranteed.

10. System Availability

Access to the system requires a stable internet connection and a compatible web browser. Users acknowledge that:

- Temporary downtime may occur due to maintenance, updates, or technical issues
- System performance may vary depending on device specifications and internet speed

Shootgeeks shall not be responsible for any inconvenience caused by such interruptions.

11. Modifications

Shootgeeks reserves the right to modify, update, or revise these Terms and Conditions at any time to reflect changes in system functionality, policies, or legal requirements.

Continued use of the system after such modifications constitutes acceptance of the updated Terms and Conditions. Users are encouraged to review this section periodically.

12. Governing Law

These Terms and Conditions shall be governed by and interpreted in accordance with the laws of the Republic of the Philippines, including but not limited to the Data Privacy Act of 2012 and other applicable regulations. Any disputes arising from the use of the Geekcos system shall be subject to the exclusive jurisdiction of the courts located in the Philippines.
